

Honiton Community College

We are really looking forward to seeing
you!

College staff
that you will
see a lot of...

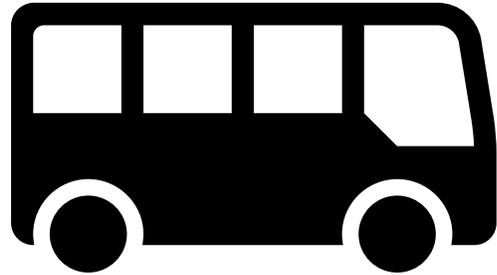

<https://www.youtube.com/watch?v=Y9tzKNraiSk>

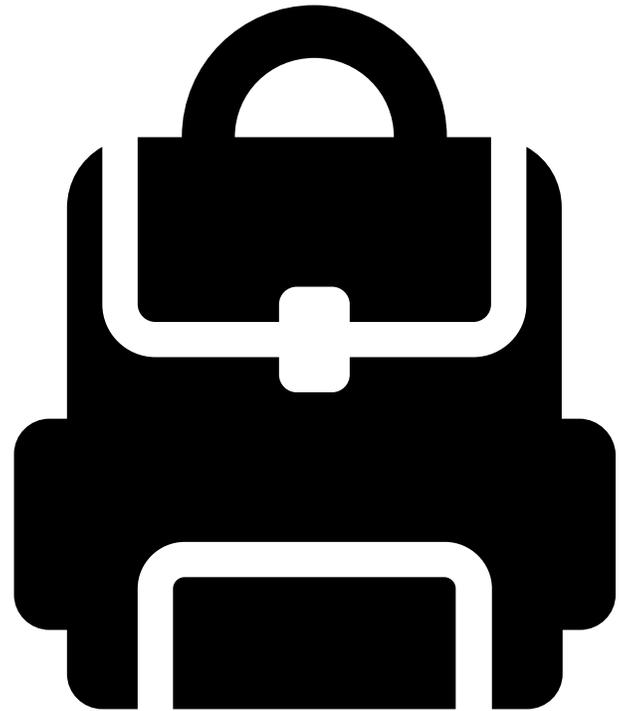

Where is it?

How will you get to
College?

You will need a strong bag to carry your things from room to room... we will show you where to go!

You will have different teachers for different subjects...

We will make sure you understand your timetable.

We can also create a timetable with pictures like this PowerPoint if you would like us to.

New sounds...

The bell lets the teacher know when to send you to your next class, or when it is break and lunch time, or when it is home time.

It might take a few days to get used to this sound, but you soon will.

What happens at break and lunchtime?

You can bring food from home to eat or buy something in the canteen.

Staff and students will help you if you don't know what to do.

You will wear a new uniform.

It might feel strange at first but you will soon get used to it!

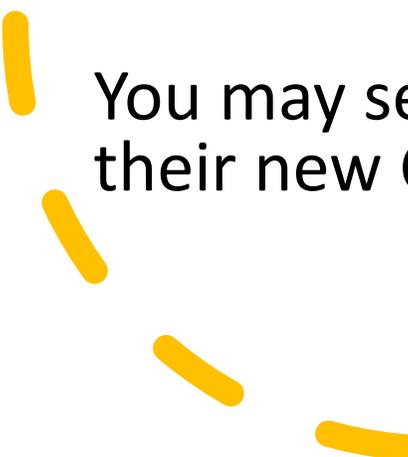

Your first two days...

On Monday and Tuesday of the first week back, it is Year 7s only!

This will give you lots of time to get used to the staff and the building when it is quiet.

All the other year groups will be at home and will join us on the Wednesday.

You may see some Y12 students around – they will be learning about their new College life too, and will be in a separate part of the building.

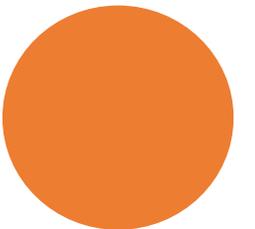

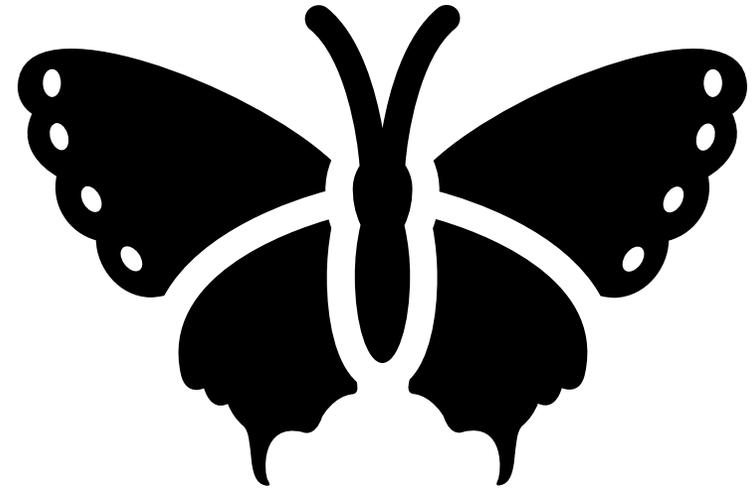

There will be new people and things to get used to.

Starting College can feel very uncomfortable at first but **you will be OK** – some people describe it as having butterflies in their tummy!

It is very **normal** to feel this way.

After a few weeks you will feel more comfortable as you learn and accept the changes.

You can then help other people to settle in too!

See you in September!
